Minibus Description

If you're a School, Community Transport provider or PSV Operator searching for the ideal minibus, this late 2019

Citroen Relay 15?seat Shuttle is now available to order and ready to support your transport needs. Designed for practicality and comfort, the Citroen Relay L3 H2 model offers effortless boarding through its side door entrance and includes valuable features such as Air Conditioning and Rear Parking Sensors.

Inside, the layout provides generous space for up to 14 passengers, making it a versatile and comfortable solution for a wide range of journeys. Additional enhancements such as Cruise Control and Air Conditioning ensure a smooth and enjoyable experience for both driver and passengers.

The vehicle will be supplied with a comprehensive Service History and warranty (details below), along with a fresh 12?month MOT where fewer than nine months remain at the point of sale. Please note that all images shown depict the vehicle prior to retail preparation.

A further advantage of this model is that, under certain conditions, it may be driven on a standard car driving licence*. This makes it an accessible and practical option for organisations needing flexibility in their driver pool.

* Terms and conditions apply. Please speak to our sales team for full details. It remains the driver's responsibility to ensure they are legally entitled to operate this vehicle.
