Minibus Description

This new conversion on a 2021 Citroen Relay Enterprise L2 H2 Graphite Grey base vehicle is a 15 Seat CanDrive Shuttle, an ideal choice for Community Transport Operators, minibus drivers, and taxi companies seeking a vehicle built specifically for PSV and hire?and?reward work. This latest conversion offers a refined, modern platform with excellent engineering, generous interior space, and the efficiency of a Euro 6?compliant diesel engine.

As a 15?seat shuttle, it provides a practical and comfortable solution for transporting larger groups, making it perfect for daily routes, contract work, airport transfers, events, and community travel. Its capacity allows operators to move passengers efficiently while avoiding the need for multiple vehicles, keeping journeys simple and cost?effective.

Excellent optional extras on this minibus include Air Conditioning and Rear Parking Sensors.

Please note seating type and style may differ from those shown in the photos. Please speak to our sales team for further details.

This model may be driven on a standard car licence, subject to meeting the necessary conditions. Drivers should ensure they are legally entitled to operate the vehicle, and our Sales Team is available to offer guidance where required.

At Minibus World, we combine our expertise as a Stellantis Pro?One partner with our commitment to building high?quality, Type Approved minibuses. Every CanDrive Shuttle benefits from the Car, Van & Minibus World Advantage, including enhanced insulation, additional soundproofing, floor?to?ceiling carpeting, improved storage solutions, and upgraded safety features.

Finally, the minibus will be supplied with Service History, a comprehensive warranty package and a fresh 12 Month MOT if there is less than 9 months remaining at point of sale.

Please note all photos are of a previously supplied vehicle.
