## Minibus Description

Are you a Community Transport Operator, Taxi or Minibus Driver/Operator company and looking to lease a zero emission vehicle that is PSV ready? Fantastic news! Here's your perfect vehicle, our E-Transit Shuttle L3 H2 now available to lease! This modern well designed vehicle is ideal for hire and reward usage.

At Minibus World manufacturing vehicles such as this 16-seater is our bread and butter. The Ford E-Transit is the ideal donor vehicle; spacious, well-engineered with a modern high power EV engine and great value.

Please note, a D1 licence is required to drive this minibus.

A 16-seat shuttle minibus is perfect for transporting larger groups efficiently and comfortably. It's ideal for cost-effective group travel, accommodating significant passenger numbers while avoiding the complexity of managing multiple vehicles. Ideal vehicle for a wide range of uses — whether daily commutes, trips, or special events.

At Minibus World all our vehicles are built with 'The Car Van and minibus World Advantage'. This means added benefits like floor to ceiling carpets, extra soundproofing and insulation, additional storage and safety equipment.

This Minibus comes with a 3 year manufacturer and 3 year conversion warranty.
