Minibus Description

The Ford Tourneo Custom Titanium Plug-in Hybrid is a stylish, efficient, and practical 9-seater minibus that's fully Euro 6 and ULEZ compliant—ideal for navigating low-emission zones across the UK while keeping running costs low. With its advanced plug-in hybrid powertrain, you get the flexibility of electric-only driving for shorter urban trips, alongside a petrol engine for longer journeys.

Designed for passenger comfort and driver convenience, it includes front and rear air conditioning, reclining rear saloon seating with ISOFIX, and folding rear seats mounted on slide rails. Accessibility and safety are enhanced with twin side loading doors, tinted rear windows, and proximity sensors. Tech-wise, it offers a modern 13" TFT touchscreen with SYNC 4, Bluetooth, and DAB/FM/AM radio.

Spacious and versatile, the Tourneo Custom Titanium is perfect for group travel and can be driven on a standard car driving licence. Optional extras such as signwriting and nationwide delivery are also available for a fully tailored experience.

This model features a smooth automatic transmission and delivery mileage, ensuring both reliability and peace of mind.

This minibus is fitted with a POD System and supplied with Telescopic Ramps & Wheelchair Restraints to allow for occasional wheelchair access.
