strip light at step edge

Minibus Description

This well-maintained Ford Transit L3 H2 14-seat 'CanDrive Light' minibus offers excellent value. Less than two years old and having covered just 20,342 miles, it's a superb opportunity for anyone seeking reliable, low-mileage transport.

Are you a School, Scout Group, Community Transport organisation or Charity?

At Minibus World manufacturing 14-seaters such as these is part of our bread and butter. One of our most popular models, it is the perfect transport for organisational needs. The Ford Transit L3 H2 Leader is the ideal donor vehicle; spacious, well-engineered with a modern Euro 6 compliant diesel engine and great value.

This vehicle may also be driven on a standard car driving licence.* *Please note: where conditions apply, it is the drivers responsibility to ensure they are legally entitled to drive the vehicle. Speak to our Sales Team for further details.

Vehicle will be provided with Full Service History and a fresh 12 Month MOT if there is less than 12 Months remaining at point of sale. This vehicle has also undergone an IVA (Individual Vehicle Approval) and is M2 registered.

This vehicle represents versatility and practicality. Designed originally with primary schools in mind, it now caters to everyday transport needs effectively for a large proportion our customers.

Photos are of the vehicle in pre-preparation condition. All of our used vehicles are refurbished (cosmetically and mechanically) to an exceeding standard pre-collection by our customers.

At Minibus World we are not just a vehicle convertor but a Stellantis Pro-One partner, building the very best Minibuses. A Type Approved vehicle (which is a sign of quality and safety) at Minibus World all our vehicles are built with 'The Car Van and Minibus World Advantage'. This means added benefits like floor to ceiling carpets, extra sound proofing and insulation, additional storage and safety equipment.
