Minibus Description

If you're looking to add a ULEZ-compliant 17-seat minibus to your fleet, this 2019 (69) Ford Transit L4 H3 Leader 130ps RWD finished in White is an excellent choice. Combining practicality, reliability and exceptional value, this well-presented minibus is ideal for a wide range of passenger transport applications and is ready to support the demands of daily service.

Designed to accommodate up to 17 passengers in comfort, this Ford Transit is perfectly suited to taxi and private hire operators, community transport providers, schools, care organisations, shuttle services and minibus companies. Its spacious interior and high-roof configuration provide excellent passenger accessibility and comfort, making it ideal for everything from local journeys and airport transfers to organised excursions and group travel.

Powered by Ford's efficient Euro 6 130ps diesel engine and featuring rear-wheel drive, this Transit delivers dependable performance alongside low emissions, ensuring full ULEZ compliance. The well-designed cabin offers a comfortable driving environment, while passengers benefit from a bright and spacious interior.

The vehicle is equipped with Air Conditioning to help maintain a pleasant environment for both driver and passengers throughout the year. Overhead luggage racks provide excellent storage space for personal belongings, bags and hand luggage, helping to keep the passenger area tidy and uncluttered during journeys. Additionally, there is a towbar fitted to this vehicle, please note you will need a full D1 driving licence to both drive and tow using this vehicle.

An integrated tachograph is also fitted, making the vehicle particularly well suited to PSV applications. Please note that the tachograph may require calibration and a PSV MOT may be required at additional cost. For further information regarding PSV suitability and associated costs, please speak with our sales team.

For added peace of mind, the minibus will be fully serviced prior to sale, supplied with a warranty, and provided with a fresh 12-month MOT if less than nine months remain at the point of purchase.

Please note that a full D1 driving licence entitlement is required to drive this vehicle. Images shown are of the vehicle prior to retail preparation.
