Minibus Description

At Minibus World, providing quality vehicles like this Ford Transit 17 Seat Trend is what we do best. It's spacious, reliable, and powered by a modern, fuel-efficient engine — perfect for a wide range of transport needs and excellent value for money.

So, looking for a low mileage PSV compliant vehicle to add to your fleet? Look no further!

Important: A full D1 driving licence entitlement is required to operate this vehicle.

Whether you're a PSV operator, taxi service, community transport organisation, or a minibus company, you are looking at the ideal solution for you. This superb 17-seat minibus has low mileage and a built-in tachograph. Please note all images are of the vehicle pre-retail preparation. Every used vehicle sold by Minibus World undergoes a full refurbishment, see info below about our Approved Used process.

What is an Approved Used Minibus?
