Minibus Description

If you're a Community Transport Operator or a Minibus Driver/Operator seeking a PSV-ready, zero-emission solution, Minibus World is proud to introduce the Maxus eDELIVER 9 Shuttle — a brand new conversion based on the 2023, 23-plate Maxus eDELIVER 9. This 9-seat electric minibus is designed for hire and reward use, offering a modern, eco-conscious alternative that's both practical and cost-effective.

Built with efficiency and comfort in mind, this shuttle is ideal for transporting larger groups without the hassle of managing multiple vehicles. Whether for daily commutes, group outings, or special events, it delivers reliable performance and flexible seating. The Maxus eDELIVER 9 is a spacious, well-engineered donor vehicle featuring a high-power EV engine and exceptional value, making it a standout choice in the minibus sector.

Despite being low mileage, this vehicle offers significant savings compared to buying new, giving you the opportunity to own a trend-setting electric minibus that's kind to the environment. It may also be driven on a standard car driving licence, provided certain conditions are met. Please consult our sales team for guidance, as it remains the driver's responsibility to ensure legal entitlement to operate the vehicle.

Every vehicle from Minibus World is built with 'The Car Van and Minibus World Advantage', which includes thoughtful enhancements such as floor-to-ceiling carpeting, extra soundproofing and insulation, added storage, and upgraded safety features.

For peace of mind, this vehicle comes with the balance of several warranties: a 5-year/60,000-mile warranty, an 8-year/100,000-mile battery warranty, a 3-year paintwork warranty, and a 10-year anti-corrosion warranty. It also includes the remainder of a 5-year Maxus Assistance package provided by RAC, offering 24/7 roadside support and recovery to the nearest Maxus dealership across the UK, including Northern Ireland. Additionally, a 2-year conversion warranty is included to further ensure your confidence in this exceptional vehicle.
