## Minibus Description

Are you a Community Transport Operator or Minibus Driver/Operator company and looking for a zero emission vehicle that is PSV ready? Here's your perfect vehicle, our Maxus eDELIVER 9 Shuttle, designed for hire and reward usage. At Minibus World manufacturing vehicles such as this 13-seater is our bread and butter. The Maxus eDELIVER 9 is the ideal donor vehicle; spacious, well-engineered with a modern high power EV engine and great value.

A 13-seat shuttle minibus is perfect for transporting larger groups efficiently and comfortably. It's ideal for cost-effective group travel, accommodating significant passenger numbers while avoiding the complexity of managing multiple vehicles. Ideal vehicle for a wide range of uses — whether daily commutes, trips, or special events.

The vehicle also benefits from the fact that it may be driven on a Standard Car Driving licence where certain conditions are met. Speak to our sales team for more information. It is the drivers responsibility to ensure they are legally entitled to drive a vehicle.

At Minibus World all our vehicles are built with 'The Car Van and Minibus World Advantage'. This means added benefits like floor to ceiling carpets, extra soundproofing and insulation, additional storage and safety equipment.

This vehicle comes with the following warranties:

– 8 year / 100,000 mile warranty (whichever comes first) or 5 year / 60,000 mile warranty (Balance of) repairs or recover you to the nearest MAXUS Dealership. This service is available 24 hours a day and is provided for 5 years or 60,000 miles, from the date of first registration, whichever comes first. Assistance is provided within the UK — Northern Ireland only at roadside and home and includes national recovery to nearest dealer. (Balance of)

Plus a 3-year conversion warranty for added peace of mind.
