Minibus Description

School, Charity, Care Home looking for the perfect new Zero Emission Minibus?

Minibus World are delighted to offer this brand new conversion based on a 2023, 23 plate Maxus eDELIVER 9, the Electric 9 Seat Accessible Minibus.

This vehicle offers a huge saving over purchasing new, with the peace of mind that this is still a low mileage vehicle. Please note, photos are from a previously supplied conversion for illustration purposes. Seat type and styling may differ to photos shown.

This Maxus Electric eDELIVER 9 Wheelchair Accessible Minibus signifies thoughtful accessibility and convenience. Fully wheelchair accessible, it features an electric onboard lift for easy access, accommodating up to 2 wheelchair passengers alongside the driver and two passengers, making it both practical and versatile for a wide range of users. The Maxus Electric eDELIVER 9 is the ideal donor vehicle; spacious, well-engineered with a modern high power EV engine and great value.

The vehicle also benefits from the fact that it may be driven on a Standard Car Driving licence where certain conditions are met. Speak to our sales team for more information. It is the drivers responsibility to ensure they are legally entitled to drive a vehicle.

Built with flexibility in mind, this vehicle includes 6 removable rear seats, allowing you to configure the space for one to two wheelchairs. Additional accessibility features include a manual sidestep and grab pole for effortless entry.

This vehicle comes with the following warranties:

– 8 year [illegible] to provide warranty (Balance of) repairs or recover you to the nearest MAXUS Dealership. This service is available 24 hours a day and is provided for 5 years or 60,000 miles, from the date of first registration, whichever comes first. Assistance is provided within the UK — Northern Ireland only at roadside and home and includes national recovery to nearest dealer. (Balance of)

Plus a 2-year conversion warranty for added peace of mind.
