Minibus Description

This late 2022 Mercedes Sprinter 17-seat Wheelchair Accessible Minibus is an outstanding example of a high-specification, carefully maintained vehicle, offering exceptional comfort, accessibility and practicality. The level of equipment throughout is remarkable; every area you look at reflects a vehicle that has been specified to an extremely high standard. For PSV and minibus operators, Care Homes, Charities or any organisation seeking a premium, easy-to-use accessible transport solution, this Sprinter stands out immediately.

Expertly sourced by Minibus World, this Automatic Mercedes Sprinter 515 XLWB will now enter our Used Approved programme, where every component is thoroughly inspected and repaired or replaced as required. Both the interior and exterior undergo a full refurbishment process, ensuring the vehicle is delivered in a condition that feels as close to new as possible.

The specification is extensive and includes an Air Conditioning, Eberspacher Hot & Cold Climate System, Front and Rear Parking Sensors, Reversing Camera, Driver Protection Screen, Twin Grab Poles with Vanity Panel, full internal Cant Rail system, Tachograph and an Electric Hydraulic Underfloor Wheelchair Lift. This combination of features provides exceptional usability, comfort and safety for both passengers and operators.

Accessibility has been thoughtfully engineered into every aspect of the vehicle. The Underfloor Electric Lift provides smooth, effortless boarding and disembarking for wheelchair users and ambulant passengers alike. The interior layout allows for up to six wheelchair passengers, offering excellent flexibility for mixed-mobility transport requirements.

This superb vehicle will be supplied fully serviced and with a comprehensive warranty package. Where fewer than nine months remain at the point of sale, it will also receive a fresh 12-month MOT, giving you complete confidence and peace of mind from day one.
