Minibus Description

If you're looking for a practical and dependable school or college minibus, this 2024 Peugeot Boxer L4 H2 17-seat Lightweight Minibus offers an excellent blend of capacity, comfort and everyday usability. At Minibus World, the 17-seat layout is our most popular configuration, chosen by schools, charities, care homes, clubs and community groups for its versatility and ease of operation.

Built on the spacious L4 H2 platform, this model provides a generous interior and a layout designed to handle daily transport demands with ease. The full-size rear wheelchair ramp offers straightforward access when needed, yet remains unobtrusive during standard passenger use. With both a left-hand grab handle and a right-hand grab pole accompanied by a vanity panel, boarding and disembarking are made safer and more comfortable for all passengers.

This low mileage minibus built on the 2024 Peugeot Boxer chassis delivers strong build quality, a modern Euro 6-compliant diesel engine and a well-engineered foundation for reliable group travel. The Boxer's reputation for durability and efficiency makes it an ideal donor vehicle for organisations seeking a long-term transport solution.

Key features include Air Conditioning for improved passenger comfort and Rear Parking Sensors to support confident manoeuvring in busy environments. The vehicle may also be driven on a standard car driving licence where the appropriate conditions are met. Drivers must ensure they meet the legal requirements, and our Sales Team can provide guidance where needed.

For complete reassurance, this minibus is supplied with Full Service History and a comprehensive warranty package, giving you long-term confidence and dependable performance from the moment it joins your fleet.
