Minibus Description

If you're looking for a practical and dependable school minibus, this lightweight Peugeot Boxer 17-seater is exactly the type of vehicle we specialise in supplying at Minibus World. Versatile, efficient and built for everyday use, it's ideal for a wide range of educational and community transport needs. This low-mileage example has been well maintained throughout and will be supplied with Full Service History with a comprehensive warranty, giving you confidence from day one.

Designed with the needs of secondary schools, colleges and primary settings in mind, it delivers reliable, everyday transport with ease. The lightweight 17-seat configuration provides generous space and excellent usability, while four removable seats on sleds offer valuable flexibility with the ability to carry 1 wheelchair bound passenger. Its L4 H2 configuration ensures the comfort and practicality expected from a modern school minibus.

A key advantage for many schools is that this vehicle may be driven on a standard car driving licence, subject to specific conditions. Please speak to our Sales Team for further details. It is the driver's responsibility to ensure they are legally entitled to operate the vehicle.

This model also benefits from several desirable extras beyond the standard specification, including Air Conditioning and Twin Grab Handles to support safer, easier boarding.

Powered by a modern Euro 6 compliant diesel engine, the Peugeot Boxer provides a strong and efficient foundation for this lightweight conversion. Spacious, well-engineered and economical to run, it represents excellent value and a dependable platform for school and community transport. It also benefits from being ULEZ compliant so is ideal for inner city driving with no extra charges.

To help you tailor the vehicle to your exact needs, a range of optional extras is available, allowing you to customise the minibus to suit your operational requirements.

Please note external images are of a previously supplied minibus.
