Minibus Description

If you're a School, Charity, or Care Home searching for a reliable used minibus, this Wheelchair Accessible 9 seat model offers excellent practicality, comfort, and accessibility.

The Peugeot Boxer L3 H2 Wheelchair Accessible Minibus is designed to enhance everyday travel, providing full wheelchair access via an electric onboard lift that allows smooth and effortless entry. It can accommodate up to three wheelchair passengers alongside the driver and two additional passengers, and it is fully Euro 6 and ULEZ compliant, making it ideal for inner-city use.

M1 registered so flexible and ideal for a wide variety of usage cases.

This vehicle is built with flexibility in mind, featuring six removable rear seats so the interior can be configured to suit one, two, or three wheelchairs. Please note that the photos shown are taken prior to the installation of the three additional seats and represent one of the four vehicles available, all of which are built to the same specification.

Excellent accessibility features include rear parking sensors, twin fold-out handrails with an integrated side step, and the electric lift system, all of which contribute to a safe and convenient boarding experience for a wide range of users.

For added reassurance, the vehicle is supplied with an excellent warranty package, full service history, and a fresh 12-month MOT where fewer than nine months remain at the point of sale.
