Minibus Description

This 2023 (23) Peugeot Boxer L4 H2 CanDrive EasyOn 17?Seat Wheelchair Accessible Minibus is a brand?new conversion based on a 2023 base vehicle with just 53,945 miles, offering a modern, reliable and highly adaptable transport solution for schools, charities, care homes and community organisations.

Built on the spacious Peugeot Boxer platform, the CanDrive EasyOn conversion is designed to deliver maximum flexibility. The interior features fourteen removable rear seats, allowing the layout to be configured for one to four wheelchair users. Whether you're transporting mixed?mobility groups or running dedicated accessible services, the space can be reconfigured quickly to suit your needs.

Accessibility is at the heart of the EasyOn design. An electric onboard passenger lift provides smooth, effortless boarding for wheelchair users, while a manual side step and grab handle offer convenient entry for all passengers. This thoughtful combination ensures the vehicle is suitable for a wide range of mobility requirements.

Everyday practicality has been carefully considered. Boarding, securing wheelchairs and adjusting the layout are straightforward processes, making this minibus particularly well?suited to secondary schools and organisations that require dependable accessibility without compromising comfort or ease of use.

Excellent extras on this minibus include Air Conditioning and Rear Parking Sensors.

Supplied as a new conversion on a 2023 chassis, this vehicle offers modern engineering, excellent accessibility features and long?term durability. It will be delivered fully serviced and supported by a comprehensive warranty package for added peace of mind.
