## Minibus Description

If you're searching for a fully accessible minibus for a School, Charity, or Care Home, this late 2023 Peugeot Boxer L4 H2 CanDrive 17?Seat conversion is designed to meet everyday transport needs with ease. Built on the spacious and well?engineered Peugeot Boxer platform, it offers a modern, reliable foundation for safe and comfortable group travel.

The CanDrive Wheelchair Accessible design focuses on practicality and inclusivity. Its electric underfloor lift provides smooth, effortless boarding for wheelchair users, while the manual side step and grab handle ensure convenient access for all passengers. This thoughtful combination makes the vehicle suitable for a wide range of mobility requirements.

Inside, the minibus is engineered for maximum flexibility. Fourteen removable rear seats allow the interior to be configured to accommodate between one and six wheelchair passengers, giving you the freedom to adapt the layout to your organisation's needs. Whether transporting mixed?mobility groups or running dedicated accessible services, the space can be tailored quickly and easily.

The CanDrive conversion enhances everyday usability, ensuring that boarding, disembarking, and securing wheelchairs are straightforward and efficient. Its layout and equipment make it particularly well?suited to secondary schools and organisations that require dependable accessibility without compromising passenger comfort.

Purpose?built as a brand?new conversion on a late 2023 base vehicle, this minibus delivers modern engineering, excellent accessibility, and long?term durability—making it a smart investment for any organisation that needs a versatile, fully compliant wheelchair?accessible transport solution.

This minibus will also be supplied with serviced and with a comprehensive warranty package for added peace of mind.
