Minibus Description

Are you a school, charity or club looking for the perfect transport for your organisation? Look no further! This fantastic 2017 Peugeot Boxer 17 Seat CanDrive Flexi was first built by Minibus World back in 2017 for a fleet customer, it has recently returned to us from an education group and will now undergo our full Approved Used refurbishment program so it is delivered to you in excellent condition. Best of all there is **NO VAT to pay** on this vehicle offering a substantial saving.

At Minibus World, we take pride in being more than a vehicle convertor. As a Stellantis Pro-One partner, we build high quality, Type Approved minibuses that reflect our commitment to safety, durability, and comfort. Every vehicle benefits from the Car, Van and Minibus World Advantage, which includes enhancements such as floor to ceiling carpeting, additional insulation and soundproofing, extra storage solutions, and upgraded safety equipment.

The CanDrive Flexi, built on the Peugeot Boxer platform and configured as a 17 seater, has long been one of our most sought after models, regularly chosen by schools, charities, care homes, clubs, and community organisations. Its generous interior space, solid engineering, and efficient Euro 6 diesel engine make it a reliable and economical option for a wide range of users.

This particular example has only just returned to stock and is presented in excellent condition. It has covered just 33,451 miles over 8 years and will be supplied with a comprehensive warranty and freshly serviced by ourselves. It will also at the point of sale, benefit from a fresh 12 Month MOT where fewer than nine months remain.

Designed with versatility at its core, the minibus is especially well suited to primary school transport. Telescopic ramps provide occasional wheelchair access, ensuring that all passengers can travel safely and comfortably. Practical touches such as a Twin Grab Poles and Vanity Panel, Tachograph, Air Conditioning and a Reversing Camera further enhance everyday usability.

The vehicle may be driven on a standard car driving licence, subject specific conditions. Our Sales Team is available to offer guidance, although it remains the driver's responsibility to ensure they meet the legal requirements. Please note that the external images provided are for illustration only and show a previously supplied identical model.
