Minibus Description

This late 2021 (71) Peugeot Boxer L3 H2 CanDrive Flexi 17 Seat Minibus in White is now available to order and presents an excellent opportunity for schools, community groups, charities, care organisations and other passenger transport operators seeking a versatile, high-quality vehicle. Having covered just 38,554 miles, this well-maintained example offers practicality, flexibility and outstanding value.

Built on the reliable Peugeot Boxer platform and powered by a Euro 6-compliant diesel engine, this minibus is designed to provide comfortable and efficient passenger transport. In addition to the standard specification, this vehicle benefits from desirable factory-fitted extras including Air Conditioning and Front and Rear Parking Sensors, helping to enhance both driver comfort and manoeuvrability.

As part of the popular CanDrive Flexi range, this 17-seat minibus has been designed with adaptability in mind. The flexible interior layout makes it ideal for a wide variety of applications, offering practical and comfortable transportation for passengers whilst retaining the capability required by organisations with changing transport needs.

Manufactured by Minibus World, this vehicle is NSSTA (National Small Series Type Approval) Approved, meaning it has been built and certified to recognised UK safety and construction standards. As a Stellantis Pro One Partner, we construct our vehicles to the highest standards and incorporate the exclusive Car, Van and Minibus World Advantage package. This includes features such as floor-to-ceiling carpeting, enhanced insulation and soundproofing, additional storage solutions and extra safety equipment designed to improve both passenger comfort and vehicle usability.

The vehicle will be supplied with Service History and a comprehensive warranty for complete peace of mind. As part of our preparation process, the minibus will undergo a thorough inspection prior to delivery. Should fewer than nine months remain on the current MOT at the point of sale, a fresh 12-month MOT will also be provided.
