Minibus Description

Looking for a great deal on a School Minibus? At Minibus World manufacturing 17-seaters such as these is our bread and butter. One of our most popular models it is the perfect transport for Schools, Charities, Care Homes, Clubs and Societies. The Peugeot Boxer is the ideal donor vehicle; spacious, well-engineered with a modern Euro 6 compliant diesel engine and great value.

Excellent example which has just returned from a local Care and Training Group. The vehicle has covered just 49,746 Miles over 5 years and is complete with Full Service History. Will also be supplied with a comprehensive warranty package and a fresh 12 Month MOT if there is less than 9 months remaining at point of sale.

Great specification on this minibus with Twin Grab Poles and Vanity Panel, Air Conditioning, Reversing Sensors and Satellite Navigation as standard.

You can also be assured of the quality and fitment of this vehicle with it being covered under our NSSTA (National Small Series Type Approval).

This minibus may also be driven on a standard car driving licence where certain conditions are met. Speak to our Sales Team for further details. *Please note, It is the drivers responsibility to ensure they are legally entitled to drive the vehicle.

Please note, all photos are for illustration purposes.

This vehicle falls under our 'CanDrive Flexi' brand and represents versatility and practicality. This L3 H2-sized minibus is equipped with telescopic ramps, making it suitable for occasional wheelchair access while ensuring convenience for all passengers. Designed with primary schools in mind, it caters to everyday transport needs effectively.

At Minibus World we are not just a vehicle convertor but a Stellantis Pro-One partner, building the very best Minibuses. A Type Approved vehicle (which is a sign of quality and safety) at Minibus World all our vehicles are built with 'The Car Van and Minibus World Advantage'. This means added benefits like floor to ceiling carpets, extra soundproofing and insulation, additional storage and safety equipment.
