Minibus Description

If you're searching for a dependable school minibus, this 17-seat model is one of our most popular choices. Ideal for Schools, Charities, Care Homes, Clubs and Societies, it's built on the well-engineered Peugeot Boxer Professional platform, offering generous space, strong build quality, and the efficiency of a modern Euro 6 diesel engine.

This particular vehicle is a high-quality conversion based on a well-maintained 2021 base model. It will be supplied with Service History and a fresh 12-month MOT where fewer than nine months remain at the point of sale. Please note that the images shown are of a previously converted vehicle.

The "CanDrive Maxi" design emphasises space and adaptability. As an L4 H2 minibus, it features a 15ft Braunability wheelchair ramp, making it suitable for occasional wheelchair access while maintaining convenience for all passengers. Its layout is especially well-suited to the daily transport needs of secondary schools.

As a Professional-spec model, it also offers desirable optional extras such as Air Conditioning and Rear Parking Sensors. This minibus may be driven on a standard car licence, subject to meeting the required conditions. Drivers must ensure they are legally entitled to operate the vehicle, and our Sales Team can provide guidance where needed.

At Minibus World, we are proud to be a Stellantis Pro-One partner, building high-quality, Type Approved minibuses. Every vehicle benefits from the Car, Van & Minibus World Advantage, including floor-to-ceiling carpeting, enhanced insulation and soundproofing, additional storage, and upgraded safety features. A comprehensive warranty package is included, and the minibus can be customised to suit your organisation's needs.

Best of all, there is NO VAT to pay offering a substantial saving.

Please note all photos are from a previously supplied vehicle.
