Minibus Description

If you're looking for a modern, low-mileage and highly practical 17-seat minibus, this late 2023 (73) Peugeot Boxer L4 H2 CanDrive Maxi represents an excellent opportunity. Having covered just 17,650 miles from new, this well-maintained vehicle offers a versatile and cost-effective passenger transport solution, ideally suited to schools, academies, charities, care providers, sports clubs, community organisations and private operators alike.

Previously operated by one of our school contract hire customers, this Peugeot Boxer has been carefully maintained and benefits from a Full Service History. Combining low mileage with proven reliability, it is powered by Peugeot's efficient Euro 6 diesel engine, delivering excellent fuel economy whilst remaining fully compliant with current emissions standards, including ULEZ requirements.

Built on the spacious Peugeot Boxer L4 H2 platform, the CanDrive Maxi conversion has been designed to provide outstanding practicality and passenger comfort. With seating for up to 17 occupants, it offers a bright, spacious interior and excellent accessibility, making it ideal for daily school transport, community transport services, group travel and a wide range of passenger-carrying applications.

The vehicle is equipped with a BraunAbility wheelchair access ramp, providing occasional wheelchair accessibility when required without compromising passenger space or operational flexibility. This makes it particularly well suited to organisations that require the ability to accommodate wheelchair users whilst maintaining a conventional seating layout for day-to-day use.

The Professional specification ensures a comfortable and user-friendly driving experience, with features including Air Conditioning and Rear Parking Sensors helping to make every journey more enjoyable and manoeuvring easier in confined spaces.

Subject to the relevant legislation and driver eligibility requirements, this vehicle may be suitable for operation on a standard car driving licence. Our experienced sales team will be happy to provide guidance regarding licence requirements and vehicle suitability. Please note that it remains the driver's responsibility to ensure they are legally entitled to drive the vehicle.

For complete peace of mind, this minibus will be supplied serviced and with a comprehensive warranty package. A range of optional extras and accessories may also be available to tailor the vehicle to your specific operational requirements.
