Minibus Description

This brand-new CanDrive Maxi 17-seat minibus, built on a late-2023 Peugeot Boxer platform, is an excellent choice for schools, charities, care homes, clubs and community groups seeking a dependable and spacious transport solution. The Peugeot Boxer Professional base provides generous interior room, proven build quality and the efficiency of a modern Euro 6 engine.

Designed with maximum versatility in mind, the CanDrive Maxi layout features a 15ft Braunability wheelchair ramp, making it suitable for occasional wheelchair access while remaining convenient for all passengers. Its L4 H2 configuration offers the space and practicality needed for the daily transport demands of secondary schools and larger groups.

As a Professional-spec model, it can be fitted with desirable optional extras such as Air Conditioning and Rear Parking Sensors. The vehicle may also be driven on a standard car licence, provided the necessary conditions are met, and our Sales Team can offer guidance to ensure drivers are legally entitled to operate it.

This minibus will be supplied serviced and with a comprehensive warranty package, and it can be customised to suit your organisation's specific requirements. A full list of optional extras is available to help tailor the vehicle to your needs.

Please note all photos are from a previously supplied vehicle.
