## Minibus Description

This newly converted 2023 (23) Peugeot Boxer L4 H2 CanDrive Maxi 17?seat minibus offers a modern, spacious and highly versatile transport solution for schools, charities, care providers, community groups and organisations needing reliable people?moving capability. Built on a late?2023 Peugeot Boxer Professional chassis and showing just 53,945 miles, it combines proven durability with the efficiency of a Euro 6 engine.

The CanDrive Maxi configuration has been designed for maximum practicality, featuring a 15ft BraunAbility wheelchair ramp that enables occasional wheelchair access without compromising everyday passenger convenience. The extended L4 H2 body provides generous interior space, making it ideal for secondary school runs, group outings and regular multi?passenger use.

As a Professional?spec base vehicle, it's equipped with popular comfort and safety options such as Air Conditioning and Rear Parking Sensors. The model is also eligible to be driven on a standard car licence, subject to meeting the appropriate criteria, and our Sales Team can advise on driver eligibility where required.

This minibus will be supplied fully serviced and supported by a comprehensive warranty package. A wide range of optional extras is available, allowing you to tailor the vehicle to your organisation's specific needs.

Please note: all images shown are from a previously supplied example.
