Minibus Description

Are you a Taxi/PSV Operator, Church, Charity, Care Home or School looking to move into the electric world but still require a Wheelchair Accessible Minibus? Look no further! This Renault Trafic 9 Seat Wheelchair Accessible due in build by Minibus World very soon is now available to order. Based on the tried and trusted Renault Trafic platform this minibus ensures reliable and comfortable travel for 8 passengers and driver.

N1 registered but IVA Tested to M1 standards so excellent for a wide variety of use cases.

This Renault Trafic E-Tech 9 Seat Wheelchair Accessible minibus is an excellent choice, designed to enhance your daily journeys. It features an Internally Mounted Wheelchair Ramp for easy access, accommodating up to 2 wheelchair passengers alongside the driver and two passengers. The easily removable seating and grab handles ensure that the minibus provides smooth and effortless boarding and disembarking, making it both practical and versatile for a wide range of users.

Industry leading range on this vehicle with a WLTP-certified range of up to 183–186 miles (295–300 km) on a single charge. Urban driving can extend this range to approximately 230 miles. It supports 50kW DC rapid charging (0–80% in 1 hour) and 22kW AC fast charging. Please note range figures may reduce dependent on usage of the auxiliary electrical features of the vehicle.

Please note vehicle currently has single passenger seat in front cabin, this will be upgraded to a twin passenger seat as can be seen from the photos.

Fantastic specification on this Excellent E-Tech Advance model, offering many excellent features over the standard model such as Air Conditioning, Reversing Camera, Reversing Sensors, Twin Sliding Doors. What's more, it is Zero Emission and ULEZ/Clean Air Zone Compliant so ideal for inner city usage.

Wide variety of seating layouts available (see example photos). Seat trim and style to be confirmed closer to build date, please discuss with our Sales Team for further details by calling 01782 444289 or email sales@cvmworld.co.uk.

Built with flexibility in mind, this vehicle includes 6 removable rear seats, allowing you to configure the space for one to two wheelchairs.

The vehicle will be supplied serviced with a comprehensive warranty and a fresh 12 Month MOT if there is less than 9 months remaining at point of sale.
