Minibus Description

Expertly sourced by Minibus World, this 2024 (24) Renault Trafic LL30 Extra 9 Seat Minibus is finished in striking Black and has covered just 30,692 miles from new. Prior to sale, the vehicle will undergo our comprehensive Approved Used Preparation Programme, where our experienced technicians thoroughly inspect and prepare every aspect of the vehicle, from paintwork and trim through to mechanical components, ensuring it meets our exacting retail standards.

Powered by a Euro 6 compliant diesel engine, this Renault Trafic is fully ULEZ compliant, making it an excellent choice for taxi operators, community transport providers, schools, businesses and private organisations looking to minimise running costs when travelling through low-emission and clean air zones.

The high-specification Extra trim offers an excellent level of comfort, convenience and practicality. Features include Air Conditioning, Rear Parking Sensors, Rear Reversing Camera, Satellite Navigation, Alloy Wheels and a Spare Wheel, along with Bluetooth Connectivity, DAB Radio, USB connectivity and smartphone integration. Twin sliding side doors provide easy access for passengers, while the spacious rear luggage area makes this vehicle ideally suited to a wide range of passenger transport applications.

Inside, the flexible 9 seat layout provides comfortable accommodation for both driver and passengers, making it perfect for schools, charities, sports teams, community groups, taxi operators and business users alike. The smooth 6 speed manual gearbox delivers an enjoyable driving experience while maintaining excellent fuel efficiency.

For added peace of mind, this Renault Trafic will be supplied fully serviced and covered by a comprehensive warranty. In addition, if the vehicle has fewer than nine months MOT remaining at the point of sale, it will be supplied with a fresh 12-month MOT.

One of the key benefits of this 9 seat minibus is that it can be driven on a standard UK car driving licence (subject to licence conditions), offering flexibility for a wide range of drivers and organisations.

Please note, all photographs shown are of the vehicle prior to retail preparation.
