Minibus Description

Just arrived – this excellent, well-cared-for Renault Trafic 9-seater minibus has been expertly sourced and will undergo a full refurbishment prior to sale. If you're a Taxi or PSV operator searching for the ideal used vehicle, your search ends here.

Stylish and practical, the Renault Trafic is fully Euro 6 and ULEZ compliant, making it perfect for navigating low-emission zones across the UK. This model also features a smooth 6-speed manual transmission, combining efficiency with everyday usability. Please note all photos are of an identical recently supplied vehicle.

Designed for comfort and convenience, this vehicle features easy to fold seats. Additional features like twin side

loading doors, tinted rear windows, and a large luggage area enhance accessibility and safety. The vehicle also boasts modern tech, including DAB, Bluetooth, Phone Connect and USB.

With its spacious design and versatile seating, the Renault Traffic Business 9 Seat Minibus is perfect for group travel. It can also be driven on a standard car driving licence, offering flexibility for various users. Optional extras like signwriting and delivery services are available for added customization.

This vehicle comes complete with a warranty (see below) and will be supplied serviced with a fresh 12 Month MOT if there is less than 9 months remaining at point of sale for added peace of mind.
