Minibus Description

Expertly sourced by Minibus World, this well-cared-for Renault Trafic 9-seater minibus will undergo a full refurbishment prior to sale with our top to bottom approved used program where we check every detail whether that paint, mechanical or trim prior to sale. So, if you're a Taxi or PSV operator searching for the ideal used vehicle, your search ends here!

Stylish and practical, the Renault Trafic is fully Euro 6 and ULEZ compliant, making it perfect for navigating low-emission zones across the UK. This model also features a smooth 6-speed manual transmission, combining

efficiency with everyday usability. Please note all photos are pre-retail preparation.

Designed for comfort and convenience, this vehicle features easy to fold seats. Additional features like twin side loading doors, tinted rear windows, and a large luggage area enhance accessibility and safety. The vehicle also boasts modern tech, including DAB, Bluetooth, Phone Connect and USB.

With its spacious design and versatile seating, the Renault Traffic Business 9 Seat Minibus is perfect for group travel. It can also be driven on a standard car driving licence, offering flexibility for various users. Optional extras like signwriting and delivery services are available for added customization.

This vehicle comes complete with a Full Service History and warranty (see below) and will be supplied with a fresh 12 Month MOT if there is less than 9 months remaining at point of sale for added peace of mind.
