Minibus Description

Searching for the ideal school minibus? At Minibus World, building 17-seat minibuses is what we do best. As our most in-demand configuration, this layout offers the perfect balance of capacity, comfort, and practicality, making it a trusted choice for schools, charities, care homes, clubs, and community organisations alike.

Based on the reliable Vauxhall Movano, this minibus delivers on every front. The Movano is a proven donor vehicle, offering a generous interior, excellent build quality, and a modern Euro 6-compliant diesel engine for efficient and environmentally responsible driving.

The **CanDrive Maxi** name reflects its outstanding versatility and space. Built on an L4 H2 platform, this model is fitted with a 15ft BraunAbility wheelchair ramp, providing practical wheelchair access when required without compromising everyday passenger comfort. It has been carefully designed to meet the demands of secondary schools, handling daily transport duties with ease and flexibility.

Minibus World is more than a vehicle converter — we are a proud Stellantis Pro-One partner, committed to producing minibuses of the highest standard. Every vehicle we build is Type Approved, a clear mark of quality, safety, and compliance. Our conversions also benefit from *The Car, Van and Minibus World Advantage*, which includes premium touches such as floor-to-ceiling carpeting, enhanced soundproofing and insulation, extra storage solutions, and upgraded safety features throughout.

For complete peace of mind, this minibus is supplied with a **3-year manufacturer's warranty** along with a **3-year conversion warranty**, ensuring dependable performance and long-term confidence from day one.
