Minibus Description

The Vauxhall Movano Dynamic L2 H2 CanDrive Light 15 Seat Minibus in White is a newly converted late 2022 model, offering a modern and efficient solution for operators who need a vehicle built specifically for PSV and hire and reward work. Its Euro 6 compliant diesel engine, spacious layout, and solid engineering make it an excellent choice for community transport providers, minibus operators, and taxi companies.

With seating for fifteen, this shuttle delivers a practical and comfortable way to move larger groups, making it ideal for contract services, airport transfers, events, school runs, and community travel. Its capacity helps streamline operations by reducing the need for multiple vehicles and keeping journeys cost-effective.

This model may be driven on a standard car licence, provided the necessary conditions are met. Drivers must ensure they are legally entitled to operate the vehicle, and our team is available to offer guidance where required.

Optional extras such as Air Conditioning and Rear Parking Sensors can be added to enhance comfort and ease of use. Please note that seating style and configuration may differ from the images shown, and our Sales Team can provide full details.

As a Stellantis ProOne partner, Minibus World builds high-quality, Type Approved minibuses that benefit from the Car, Van & Minibus World Advantage, including enhanced insulation, additional soundproofing, floor-to-ceiling carpeting, improved storage, and upgraded safety features. The vehicle is supplied with Service History, a comprehensive warranty package, and a fresh 12-month MOT where fewer than nine months remain at the point of sale.

Please note that all photos are of a previously supplied vehicle.
