Minibus Description

Are you a Charity, Care Home, Taxi company or Minibus Driver/Operator organisation? Here's your perfect vehicle – a Vauxhall Movano L3 H2 9 Seat Wheelchair Accessible Minibus, designed for a wide variety of accessible use cases. At Minibus World, manufacturing 9-seaters like this is our bread and butter. The Vauxhall Movano Prime is the ideal donor vehicle — spacious, well-engineered, equipped with a modern Euro 6 compliant diesel engine and excellent value.

A 9-seat minibus such as this is perfect for transporting larger groups efficiently and for boarding wheelchair passengers. With its onboard electric wheelchair lift, it can carry up to three wheelchair users, making it ideal for cost-effective group travel. Whether for daily commutes, trips, or special events, it's a versatile and dependable choice.

Excellent extra features include air conditioning and rear parking sensors. Being Euro 6 and ULEZ compliant, it's also well-suited for inner-city use or areas operating Clean Air Zones (CAZ).

At Minibus World, we are not just a vehicle converter but a Stellantis ProOne partner, building the very best minibuses. This is a Type Approved vehicle — a mark of quality and safety — and every model is built with 'The Car Van and Minibus World Advantage'. That means added benefits such as floor-to-ceiling carpets, enhanced soundproofing and insulation, additional storage, and upgraded safety equipment.

This minibus will be supplied with Full Service History, a comprehensive warranty, and a fresh 12-month MOT if fewer than nine months remain at the point of sale.

Please note gallery photos are from a previously supplied very similar vehicle.
