## Minibus Description

This brand new conversion to a CanDrive Maxi 17 seat minibus, built on a 2024 Vauxhall Movano base vehicle, is an excellent choice for schools, charities, care homes, clubs and community groups seeking a spacious, dependable and highly practical transport solution. The latest generation Movano platform provides generous interior space, proven durability and the efficiency of a modern Euro 6 compliant engine.

Engineered for maximum versatility, the CanDrive Maxi layout features a 15ft Braunability wheelchair ramp, making the vehicle suitable for occasional wheelchair access while remaining convenient and comfortable for all passengers. Its L4 H2 configuration delivers the room, practicality and ease of use required for daily transport duties, particularly for secondary schools and larger groups.

As a high specification model, the Movano can be fitted with a range of desirable optional extras, including Air Conditioning and Rear Parking Sensors, enhancing comfort and manoeuvrability. The vehicle may also be driven on a standard car licence, provided the necessary conditions are met. Our Sales Team can offer guidance to ensure drivers are legally entitled to operate it.

This minibus will be supplied fully serviced and with a comprehensive warranty package. A wide selection of optional extras is available, allowing you to tailor the vehicle to your organisation's specific operational needs.
