## Minibus Description

Volkswagen Transporter Wheelchair Accessible Minibuses are rarely available. Minibus World is a second stage motor vehicle manufacturer and has strong relationships which grant us access to vehicles others may find difficult to acquire.

The VW Transporter is a much sort after stylish Wheelchair Accessible Minibus benefiting from a fantastic blend of space and practicality with the capacity to hold up to 2 Wheelchair Passengers. With the addition of a rear Hydraulic Wheelchair Lift it also offers easy boarding for Wheelchair bound passengers.

Great news, you can also drive this minibus on a standard car driving licence as it's M1 registered! (Conditions apply, speak to our sales team for further details, it is the drivers responsibility to ensure they are legally entitled to drive the vehicle).

Please note, vehicle is currently fitted with 5 seats in total (2 upfront and 3 in the rear). Vehicle will be up-seated with 3 extra seats being added to the rear of the vehicle and the passenger seat changed for a double passenger seat meaning 3 seats upfront.

This used 9 Seat Wheelchair Accessible Transporter is fully ULEZ Compliant. Euro 6 Compliant Minibuses are a must have when there's a possibility of travelling through the ever expanding network of Low Emission and Ultra Low Emission Zones across the UK.

This vehicle will be supplied with Service History, a comprehensive warranty and a fresh 12 Month MOT if there is less than 9 months remaining at point of sale.
